POST HIGH SCHOOL EXPLORATION AND PLANNING

Teens In Public Service
employing teens serving our community

[Teens in Public Service Summer Internship Program Application](#)

Teens in Public Service partners with local non-profits to provide paid summer internships to teens. Thanks to some local partnerships this long time organization is starting a Bainbridge Island chapter with our local non-profits to offer 6-8 week paid summer internships that average 25-30 hrs per week. Applications are open for summer 2026 and close on March 2nd.

[Olympic College Bound Program Application](#)

Are you planning to attend Olympic College after graduation? Join the OC Bound program and meet with Olympic College staff here on the BHS campus during your senior year to get assistance with applications, opening student accounts and meet with advisors to get registered for classes before graduation.
