October 15, 2026 minutes

Present at the meeting: Chair- Kim Post, Stephanie Whitman, Kendra Holt

We discussed selling only poinsettias this year and not wreaths. Wreaths are a lot of work for a small profit, poinsettias get delivered and just need to be labeled with names when they arrive, people then pickup in the foyer of JSH probably around 12/2/26.

Will check with Vicky to make sure this is an ok plan.

In place of wreaths, we are going to try cookie dough sales from Midland fundraising. The company called this week and is sending us the materials to get the ball rolling on this fundraiser- it looks like it has a good profit margin.

Bake sale on 12/4 at the concert, Stephanie Whitman and her daughters will help with this one.

Bake sale on 12/5 at the rest area on I-91 Kim and Sara Behn will run this one.

Mums sales profit $209- we should try this again next year. It has been suggested to sell for more, and also put an order form out in the Summer Monitor.
