

Jah Arrogante, an artist with Cape Verdean origins from the south of Luxembourg, more precisely from Differdange. In 2012 he started making music and finally 4 years later he started to release his projects. His inspiration came a lot from American artists like 2pac, Chief Keef, Migos and Future which you can hear in his songs. In 2018 he had his first big show as the support act of DJ Telio, where he played a sold out show at the Lenox club in Luxembourg city. After that show Jah Arrogante got bookings over bookings... He also played as a support act for other big names in the rap industry for example Rafa G, Puto G and Apollo G.
