[Heat Sheet - Relays Only](#)

[Swimmer Numbers](#)

[Volunteer List](#)

Parking

Our pool parking lot is reserved for the visiting team and their families..

If you must drive, parking is available on Walden Creek Drive on the pool side of the road. Please heed any instructions from parking attendants. nd will also need to use some of Walden Creek Drive for overflow parking.

Concessions

Snack Shack will be open during the meet. You may bring your own food and coolers. No glass is allowed on the pool deck. As per TSA regulations no alcohol may be brought in or consumed during a TSA event. Smoking is not allowed anywhere in the pool area.

Note: Please do not support outside vendors (ice cream trucks etc) that show up in our parking lot. Not only do they take away from our own

concessions; we had issues a few weeks ago with a vendor and some negative interactions with our visiting team.

Pool Deck Info

Walden Creek will swim heats in lanes 1, 3 and 5. Please limit the area behind the blocks & near the tennis courts to swimmers and kid pushers to prevent extra confusion.

The sheltered area and deck area around it near the concession stand is reserved for Lochmere. Walden Creek swimmers and Families will use the Shelter near the parking lot and the deck space closest to the parking lot.

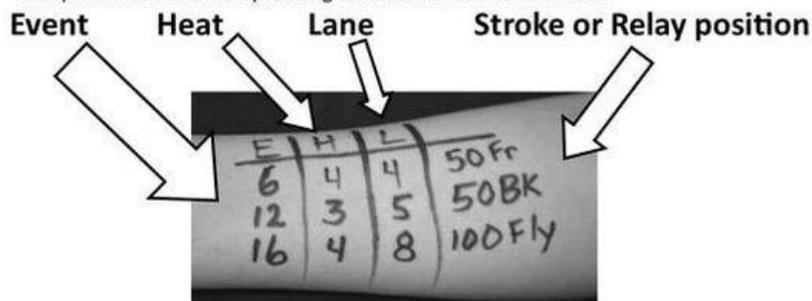

Strokes, Rotation and Dive-overs

Both teams will only swim **3 out of 4 strokes** (2 out of 3 for 6 and under) to shorten the meet timeline. We will be swimming the 6 & U age group in normal sequence and rotation with the other age groups. *For weather related reasons, it is possible teams agree to swim main events first to assure meet completion - but this is only done if absolutely necessary.*

It will be helpful if you can mark your swimmer with their number on the upper arm (near shoulder) and their events on a "grid" on their forearm with a sharpie before arriving.

- 1) Find your swimmers events on the heat sheet.
- 2) Draw a grid on the inside of their arm of leg. *Make sure it is where they can read it.
- 3) Write Event#, Heat#, Lane#, & Stroke/Relay position in sharpie.

*Sharpie can be removed by rubbing sunscreen on it after the meet.

Weather & Postponements

We will do everything we can to get our meet in tonight. If the pool can be entered safely, the meet will be swum. Meets will be held in the rain, but not thunder or lightning.

Swimmers will not be allowed in the water for a minimum of 30 minutes after the last flash of lightning or clap of thunder. Severe weather may require the pool deck to be

cleared. Meets may not be interrupted for more than 60 minutes due to inclement weather. If the meet is interrupted more than once, the meet will be stopped. If breaststroke has been completed, the meet will be declared over.

If a meet can't be started or is postponed, it will resume the next day at 6pm.

*****A special note:** the forecast for Tuesday is **HOT!!!** Please ensure your swimmers are healthy and hydrated! Consider bringing coolers with ice packs or frozen washcloths/towels and cold drinks. Portable fans are great. We will try our best to keep our volunteers hydrated and cool. Additionally, we may take a mid meet cool off break if necessary.***

Pre-Meet Briefing

There will be a pre-meet briefing at **5:40pm** behind the pool gate by the tennis courts. Kindly have all people officiating the meet including timers, judges and TSA representatives in attendance at that time.
