

June 2026

Dear Incoming Fifth Grade Families,

We are so looking forward to the upcoming year! As you probably already know, the final year of elementary school is full of both excitement and change. Your children can look forward to becoming authors, poets, artists, dancers, explorers, inventors -- and more!

While we will have some supplies available for students, there are some things we would like your child to bring in the first week of school*:

Room 3: Brandon	Room 13: Gabriella	Rooms 14: Kirsten
• Pencil box • TWO 3-subject notebooks • ONE pocket folder • Pencils (several boxes) • School scissors • Highlighters • Markers, crayons, or colored pencils • Manual pencil sharpener • Reusable water bottle • Earbuds/headphones	• Pencil box • ONE 3-subject notebook • TWO pocket folders • Pencils (several boxes) • Manual pencil sharpener • School scissors • Markers, crayons, or colored pencils • Highlighters • Reusable water bottle • Earbuds/headphones	• Pencil box • TWO pocket folders • Pencils (several boxes) • School scissors • Highlighters (several colors) • Colored pencils • Pack of colored markers or gel pens • Manual pencil sharpener • Reusable water bottle • Earbuds/headphones
OPTIONAL - for the Classroom: • Pack of colored Sharpies • Baby wipes • Paper towels • Kleenex • Antibacterial wipes • Hand sanitizer • Printer paper		

5th grade is a highly academic year, so we would recommend you have your students read, read, read over the summer! Also, if your student is not solid with their math fluency (multiplication!), the two months over the summer would be a great time to work on it. (Flash cards are "old school" but they work!)

We look forward to meeting you all! If you need to contact any of us, our emails are below.

Warmly,

Room 3 - Brandon: bmb8507@lausd.net

Room 13 - Gabriella: g.frausto@lausd.net

Room 14 - Kirsten: kirsten.griffone@lausd.net

*supplies will need to be replaced throughout the year
