I consent for my child to take part in all activities at Plant to Plate Easter Club 2022. These will be outdoor based, in all weathers, and will include using normal gardening hand tools such as spades, forks, trowels, rakes, etc. The children will not be permitted to operate any electrical machinery. There are no toilets on site so please ensure your child is aware of this as they will not be able to go for the duration of their session. Please ensure your child attends each day with a bottle of water, sun tan lotion, sun hat and a light snack. Clothing and shoes will get muddy so please put your child in appropriate clothing. Drop off must be no later than 10am and pick up at 12.30pm for the morning session and 1.30pm – 4pm for the afternoon session. Once we have taken the group into the allotments at 10am and 1.30pm any latecomers will not be allowed entry.
