

## **AngoraRam's Commission: Terms of Service**

---

### **1• - Payment**

- » I only take Paypal Invoice [GBP £], Deviantart points and transactions through Ko-Fi as a payment method.
- » Do not send payment until we have discussed details and I have accepted your commission request.
- » You have the right to ask me for a refund if I have not started work on the commission.
- » I take payment upfront only (If you wish for a different method of payment then inquire with me)

---

### **2• - Content**

If you request a change of character/ content after the initial form, if the commission has not been started on then it will be changed.

If you change your commission to include one of the sections in the "will not draw" list below, I will decline the change and may not continue to work on the commission.

If you have a deadline for the piece, please inform me before I start work so time can be made to work on your commission within your time frame. If I can't do it within that time you will be told.

You can enquire whenever you like about the progress of the commission, just understand due to time zones and work I may not answer right away. You will be answered within the week.

I will draw:

- » Humans
- » Animals, anthropomorphic animals
- » Original species, mythical creatures
- » Plush toys and pets (Drawn in my style, I can work from photographs)

Inquire if I will draw:

- » Fashion/ clothes design
- » Robots (Depending on complexity)
- » Complex characters (ask if unsure)

I will draw fanart of:

- » Characters from video games, movies and comics
- » Characters from books if there is visual reference provided
- » Fan characters/ designs from any series as long as it is safe for work (Trolls, Lilo and Stitch, ponies, etc)
- » Interactions between fan characters and 'canon' characters
  - » Selfshipping, OCxCanon

I will not draw:

- » Pedophilia
- » Incest
- » Bestiality
- » Sexual themes/ Fetishes
- » Hate art
