

Episode 209 - Taking Flipgrid to the Next Level

INTRO: Welcome to the Undrcaff3inated Podcast Episode 9. Today we're going to talk about something that you can turn around and use in your room tomorrow! This strategy can be used across grade levels and content areas. It's a Scoot!

What is it?

Hybrid between Kagan 4 Corners and a classroom scavenger hunt; students move around the room to answer questions.

How can it be used?

It can be used for any content area, in any grade level, and it could be used for any component of a lesson.

How can technology be integrated?

Question for Twitter: How do you scoot? What does it look like in your classroom?

OUTRO: Thank you for joining us. If you like what you heard today and want to leave a review on Apple Podcasts, we would appreciate it and that would help other educators find us too. You can follow us on Twitter and Instagram @undrcaff3inatED and we'd love to hear from you!
