[Posts about HB1220: Adding housing justice to the GMA](#)

[Posts about SB5042: Closing the GMA vesting loophole](#)

1) Post about all three GMA bills (bonus points for this one!)

Facebook/Twitter:

Urge your #WAleg legislators to vote #YESonSB5042, #YESonHB1220, and #YESonHB1099 by the March 9th cutoff to limit urban sprawl and address WA's climate change and housing crises.

#WACantWait <<tag Futurewise>>

2) Post about HB1099 and HB1220: Adding climate change and housing affordability to GMA

Facebook/Twitter:

If we want climate justice, we need housing justice.

If we want housing justice, we need climate justice.

Ask your #WAleg legislators to vote #YESonHB1099 and #YESonHB1220 by the March 9th cutoff. #WACantWait <<tag Futurewise>>

3) Posts about HB1099: Adding climate change to the GMA

Twitter:

HB1099 would ensure that our communities are planning for climate change resiliency and mitigation. Ask your legislators to vote #YESonHB1099: futurewise.org/1099 #WACantWait #YESonHB1099 @FuturewiseWA

- [Use this graphic for Twitter](#)

Facebook:

HB1099 would update the GMA to ensure that our communities are planning for climate change resiliency and mitigation while reducing GHG emissions and vehicle miles traveled.
@Futurewise.Washington

Ask your legislators to vote #YESonHB1099: futurewise.org/1099 #WACantWait any longer.

4) Posts about HB1220: Adding housing justice to the GMA

Twitter:

HB1220 would ensure jurisdictions are planning for a diversity of housing types for all income levels, for emergency shelters and supportive housing, and to address racial bias and exclusion in housing policies. Ask your legislators to vote #YESonHB1220: futurewise.org/1220 #WACantWait @FuturewiseWA

5) Posts about SB5042: Closing the GMA vesting loophole

Twitter:

SB 5042 would protect farmlands and critical habitats from unnecessary Urban Growth Area expansion by closing a harmful loophole in the Growth Management Act.

Tell the #WALeg Senate to vote #YESonSB5042 @FuturewiseWA futurewise.org/SB5042

[Use This Graphic for Twitter](#)

Facebook:

Under the GMA, counties can vote to expand their urban growth areas into farmland and natural habitat. Sometimes though, these UGA expansions are unnecessary and just contribute to excessive sprawl. In those cases, @Futurewise.WA might appeal the UGA expansion to the Growth Management Hearings Board (GMHB) and win a judgment that the UGA expansion was illegal under the GMA.

However, under the current framework, any permits issued for new construction in the expanded UGA are still valid *even if the UGA expansion is later ruled illegal*. SB 5042 would close that loophole.

@Futurewise.Washington

Tell the #WALeg Senate to vote #YESonSB5042
