JOHN ADAMS MIDDLE SCHOOL

Library Renovation Project

November 4 – November 13, 2024 - Report

The Santa Monica-Malibu Unified School District (SMMUSD) is pleased to announce the library renovation project at John Adams Middle School (JAMS). This initiative will modernize and refresh the existing library, adding new furniture such as moveable bookshelves, tables, and chairs, creating a state-of-the-art student library. The renovation will also provide flexibility for various gatherings. Additional improvements include a shaded outdoor learning deck, three new huddle/conference rooms for group collaboration, environmental lighting, comfort air systems, new carpeting, and kitchen facilities.

CURRENT CONSTRUCTION: The current phase of installation includes work on the fire alarm, ceiling grid and fireproofing, lighting fixtures, patio footings, and concrete for the Americans with Disabilities Act compliant ramp.

CONSTRUCTION WORK:

- The contractor has completed pouring the footings for the decks and ramps and is now removing the formwork and installing deck posts.
- The T-Bar ceiling grid is fully installed in all rooms of the library.
- Ceiling tiles, along with HVAC registers, are being connected to the new ductwork and installed in the new ceilings.
- New lighting is being added to the ceilings in the office spaces.
- Exterior lights are also being put in place.
- Preparations for the installation of the Nana wall door and flooring are underway.

- Interior walls are currently being painted.

PROJECT STATUS:

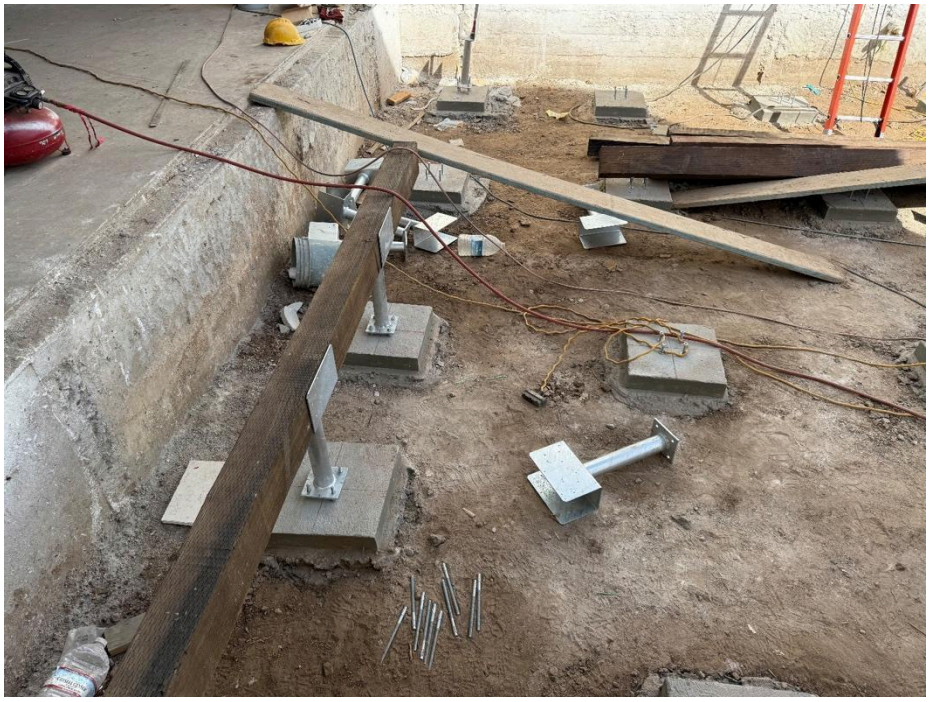

Fire alarm cutover and testing are scheduled for Saturday, November 16, 2024.
