Dear Sir / Madam

My name is **Bırol akır**, I was born in **1976 in Istanbul**. I graduated from the Ministry of National Education Apprenticeship Training Center as an Auto Electrician in Turkey and I have a certificate issued with Article 16 of Law No. 3308.

I have been working as an **Engineman for 8 years**. I would like to go to **Hamburg**-Germany and look for a job by taking my equivalence from IHK FOSA.

I have submitted with my e-mail my application form with my signature, my identity card, my passport, my certificate of residence, my mastership certificate which I received from ministry of national education general directorate of vocational and technical education with under the law numbered 3308/16 with its notary certified photocopy, my transcript of records for the entire degree program in the original language as a certified photocopy.

Also I added my job interview emails, reference letter, CV, SGK documents from the ministry of labor and social security with its certified photocopy which is showing the years I worked and got experiences, and other necessary documents to your information in the attachment.

Respects

BİROL AKIR
