 - ✓ / Speak decisively. Say what you mean and mean what you say.
 - ✓ No excuses. Own your mistakes.
 - ✓ Carry a small notepad and a pen to take notes
 - ✗ Maximize your looks.
-

🌧️ PLAN & TASKS 🌧️

☰ NEW Glory Challenge Template

📋 Tasks Achieved? 📋

- Created a good conquest planner, and had a perspicacity walk to analyze what's happening
- Learned a lot about how to create headlines
- Edited 1 email
- Fixed the email not receiving problem

🏠 Twilight's Review 🏠

- What happened today? Why did I not get anything on my actual plan done? The things that will actually move the needle and will put \$500 in my bank account?
- Based on my percipcacity walk it is because:
 - I've lost the momentum on the critical path(plus other stuff) because I've been stopping them to do some extra missions (e.g. create that guide, fix that issue, add this thing to the site, oh this broke)

- Those issues aren't avoidable sometimes (some are). If email provider is broken you'll need to find a new one to fix it.
- But I'm done, the only thing that will move the needle right now is recording the videos, I've got a month(or more) of recording editing and creating. First I'll:
 - Record 4 chapters for exercises to offer as a bump-upsell
- Then I'll continue recording all other stuff from my offer to where I can offer a super bundle with that stuff.
- So what was the problem?
 - Being distracted with 100 things, stopping doing the main task to fix side quests for a week, coming back having lost all the momentum
- Also, when thinking "What was I doing different before" The answer was I was not doing any school work. Instead of that I'll
 - Set non-negotiable standards for school work to finish it FAST
- So with all of that.... Tomorrow I should win by:
 - School work done FAST
 - Then fix the side mission - edit emails & send for review
 - Go training
 - Start recording exercise 1
 - Edit exercise 1 in the same day

Time Distributed? You have 6 working hours

- Sleep -> 8h - very tired, gotta go to bed at 7:30pm not 8:30pm
- G Work -> 2 GWS(4 h)

Tasks uncompleted

- 2/3 GWS - other was shallow work
-

🌧️ New Standard 🌧️

-

💡 How will I improve and progress tomorrow? 💡

- Above

? Who You Are Now vs Who You Want to Be ?

- Now:
 - Broke, little to no money in the bank, can't buy shit, can't help my family financially, looking flabby and weak, my parents think I'm wasting my time. I'm barely breaking even with my ads.
- Who You Want to Be:
 - Earning \$143,000 per month from my own business, driving my Surron Light Bee X I bought for \$6k, living in China, and flying to Dubai most days, with my true brothers on the side. Having moved my families nationality away from Bulgaria so that no war stops the bloodline Vasilevs or hurts my family. Driving a Porch GT3 RS on the long desert highway in Dubai with a hot bitch on the other seat and 3 more cars racing behind me. Making my parents happy and proud from the son they have, changing their beliefs about what's possible, and about how the world works.

🔥 Your Reason Why 🔥

- I need to succeed because I have a mission and a commitment to VASILEVS to conquer the world and become the most famous and wealthy person on the planet. The sole reason I'm breathing right now and VASILEVS blesses me with another day, is because I'm on this mission, from the moment I was sent on this planet to this second, I first experienced the pain of mediocrity to understand how the world works, and I'm now on the second phase, which is delivering this mission to the end.

TEMPLATES

End Week OODA Loop:

📅 Lessons!

OODA Loop, 📅X/X/24📅 - 📅X/X/24📅

****1 - What is your goal?****

- >* Specific Target
- >* Why it's important
- >* Deadline

****2- What did you get done last week to progress toward your goal?****

****3 - What are the biggest obstacles you need to overcome to achieve your goal?****

****4 - What is your specific plan of action for this week to move closer to your goal?****

****BONUS****

- >* Where are you in the Process Map?
- >* How many days did you complete your Daily Checklist last week?

>* What lessons did you learn last week?

Root Cause Analysis:

Identify a problem I am facing (bad outcome/symptom)

Perceived problem:

Symptoms:

-

Walk the factory line

Identify every element of the machine (from daily planning to next day's daily planning):

-

...

The trend is obvious. _____

-

Ask why until I find the root cause (5x). Use outside resources if needed.

Symptom:

PATH #1:

- Why #1:
- Why #2:
- Why #3:
- Why #4:
- Why #5:

PATH #2:

- Why #1:
- Why #2:
- Why #3:
- Why #4:
- Why #5:

PATH #3:

- Why #1:
- Why #2:
- Why #3:
- Why #4:
- Why #5:

Create or update my strategy and tasks to solve the problem and get my outcomes.

What specific changes to my machine will I implement today to fix my machine?

-

Expected outcomes:

-

Brainstorming:

Current Project/Problem:

Brainstorming Methods:

Free flow Association

Role-playing

- If I was Andrew Bass what would I do:

-

- If I was Tate what would I do:

-

Extra Constraints

- If I had to fix this problem by tomorrow or my family would die what would I do:

-

Reverse Thinking

- What can I do to completely go off the rails and _____

- Instead do:

Dreamers

Realist

Critical - How IT WILL FAIL

Winning Strategy/Plan

Winner's Writing Process

Business objective -

Niche -

Who am I talking to?

Where are they at now?

What do I want them to do?

What do they need to experience/think/feel to do that?

Day X/7 Intermidaite Challenge

****NON-NEGOTIABLES:****

- ✓/✗ Watch the morning POWER UP call of the day
- ✓/✗ 3 GWS on Critical Task from Process Map
