

Waynesburg 2025-2026 NTI Weather Plan

Purpose:	Non Traditional Instructional Days will help combat potential loss of content knowledge and skill development due to cancellation of school.																				
Delivery Method:	2nd through 5th grade will meet face to face with each teacher through the online platform Google Meet during the assigned times below. Students may access the link to their Google Meet session in their Google Classroom. Students should be familiar with this, as we have utilized Google Classroom throughout the year.
