

Phil Topics:

Phil blaming the quality of his commentary on the quality of the game, if the game is bad, then his commentary is going to be bad and it's not his fault (Link: <https://twitter.com/drgnkiller/status/717787288860753920>)

3k Lemon can't run World of Warcraft at 1080p60 and stream, so he's either going to lower the settings and resolution or lock the framerate at 30fps.

Leanna's mystery employment:

<https://twitter.com/drgnkiller/status/716800685635928066>

Glass bones Phil needs a chiropractor because his neck his stiff from sitting on his ass and playing video games all the time (Link:

<https://twitter.com/drgnkiller/status/717447963950366720>)

Ranting about the length of time it took for Quantum Break to install, has more Xbone controller sync issues, couldn't trade in Rock Band 4 at Gamestop

Phil claiming that he no longer has gout because he "changed his diet".

<https://twitter.com/drgnkiller/status/717798260279218176>

Third person games used to be all the RAGE, now there is hardly any (Link:

<https://twitter.com/drgnkiller/status/717535982355161089>)

Phil calling hipsters a bunch of "losers"

<https://twitter.com/drgnkiller/status/717825566427230211>

Phil trying to garner sympathy for not having a day off from his business.

<https://twitter.com/drgnkiller/status/717785929184845825>

Phil talking about troll who "stole" another code.

<https://twitter.com/drgnkiller/status/717582449954394116>

DSP blames devs for because he waits until the last second to install Quantum Break. He is oblivious to the fact that episodes are already installed, so he installs them again.

<https://twitter.com/drgnkiller/status/717406433327910912>

<https://twitter.com/drgnkiller/status/717426341767942144>

<https://twitter.com/drgnkiller/status/717426031964131328>

Dsp passive-aggressively blames fans for not giving him enough views in these games so he trades them in--one of them being Rockband 4 (a game he got for free).
