## **LAYER 2: EXTENSIVE POLICY**

The objective of this policy is to inform interested parties about the cookies used by this website in accordance with the provisions of Law 34/2002, of July 11, on Services of the Information Society and Electronic Commerce, and Regulation (EU) 2016/679 of the European Parliament and of the Council of April 27, 2016.

### **1. USE OF COOKIES. WHAT ARE COOKIES?**

Cookies are files that are downloaded to your Computer, Smartphone or Tablet when accessing certain web pages. The use of cookies offers numerous advantages in the provision of Information Society services, since, among others: (a) it facilitates user navigation on the Website; (b) facilitates the user access to the different services offered by the Website; (c) prevents the user from reconfiguring predefined general characteristics each time he accesses the Website; (d) favors the improvement of the operation and of the services provided through the Website, after the corresponding analysis of the information obtained through the installed cookies; (e) allow a Website, among other things, to store and retrieve information about the browsing habits of a user or their equipment and, depending on the information they contain and the way they use their equipment, they can be used to recognize the user.

Most browsers accept cookies as standard and, regardless of them, allow or prevent temporary or memorized cookies in the security settings.

Keep in mind that in order to use and have a better browsing experience, it is necessary that you have cookies enabled, especially those of a technical nature that are necessary so that you can be identified as a registered user each time you access this website.

If you do not want to receive cookies, please configure your internet browser to delete them from your computer's hard drive, block them or notify you if they are installed.
