CHATTIN' - Your Future

5 questions to set you on the path to a creative career.

1. What do I enjoy doing?

(The foundation of a happy and successful career)

2. What am I passionate about?

(what I enjoy + my key values = my passions)

3. What skills do I have and/or want to build on?

(It's good to know your skill set, especially as a young creative freelancer.
Identify the skills you want to build on and find opportunities to support this.)

- 4. What do I know about the creative role I'm interested in and what qualifications do I need?**
(Where and how can I research and learn about local creative roles?)

- 5. Who do I have in my network already?**
(Your network is key! A good network can provide information, advice, opportunities and work.)
