FOOD SERVICE MANAGEMENT

1. The Chief Operations Officer shall supervise the food services program under the direction of the Nutrition Services Coordinator.
2. The Coordinator shall provide a food services program that is efficient, nutritious and utilizes locally grown products when possible.
3. The planning of menus, purchasing of foods, equipment and personnel and general administration of the program is the responsibility of the specialist of nutrition services.
4. Annually, as a part of the budget process, the Superintendent shall provide information to the School Board about the financial situation of the nutrition services operations.
