

Privacy Policy

1. Information We Collect

We may collect the following information to provide and improve the Game:

- Device Information: Including your IP address, operating system version, device identifiers (e.g., Android ID, Advertising ID), and hardware information
- Usage Data: Such as interaction logs, level progress, session length, and in-game actions
- Other Data: Diagnostics data in case of errors, and approximate location data (if used for features like regional leaderboards)

2. How We Use Your Information

- To provide and maintain the Game's functionality.
- To improve and personalize your experience.
- To analyze trends and ensure security

3. Data Sharing

We do not sell your data. We may share non-personal, aggregated information with analytics partners to improve the Game. In cases required by law, we may disclose information to comply with legal obligations

4. Third-Party Services

The Game uses third-party services (e.g., analytics or ad networks) that may collect data as per their privacy policies. These partners have their own data practices, which we encourage you to review

5. Data Retention

We retain your information only as long as necessary to provide the Game's services or as required by law

6. Children's Privacy

The Game does not knowingly collect personal information from children under 13. If we become aware of such data, we will delete it promptly

7. Your Rights

Depending on your region, you may have the right to access, correct, or delete your personal data. Requests can be submitted via in-app support.

8. International Transfers

Data may be processed on servers located outside your country, with appropriate safeguards in place.

9. Security

We implement reasonable security measures to protect your data, though no method is 100% secure

.

10. Changes to This Policy

We may update this Policy. Material changes will be communicated within the Game or via email. Privacy Policy
