

PROJECT "FAIR PLAY 4 INCLUSION"

HIKING

On Sunday 7th November **ENTREJUEGOS** organized a hiking route to the Cortijo "La Capuchina", located between the villages of Alameda and Mollina, a farmhouse in which wine tours are carried out where they make known from the care of the vineyards, to the elaboration of their wines.

During 2 hours and a half of route, 5 young people walked through a landscape formed by olive trees, pines and vineyards where there are also other natural environments such as the "Cave of the organs" and the "Torca de Mollina".

Participants enjoyed this sport activity in nature, discovering new places in our environment and promoting a healthy lifestyle through the project **"FAIR PLAY 4 INCLUSION"** (Erasmus+ Sport).
