

Movie Notes for:

“Krull”

1. Today's extravaganza is that 80's master-something "Krull"
2. Chorus and horns...
3. Whirling glaive...
4. Cast...
5. Crew
6. Star Wars spaceship opening.
7. More ship -- not influenced by Star Wars at all.
8. This ship looks like a tree
9. And that is how Devil's tower was formed.
10. Voice over....
11. The slayers are bad.
12. The beast is also bad.
13. King and queen shall rule the world, and their prince will rule the galaxy.
14. The king might not make it through because of the slayers.
15. We must have the alliance.
16. Father does not like the arranged marriage -- a first.
17. On the horse I ride.
18. The fast horse doesn't like its rider.
19. Now we have our loves.
20. They wed tonight at moonrise.
21. Good fighters make terrible husbands.
22. Warriors are always fighting.
23. It is well past moon rise, and there are 2 of them.
24. A single kingdom under their children.
25. Only a little bit of peril.
26. 80's spacey-medieval-ness
27. This wedding is taking forever.
28. This special effect is special.
29. Slayers are coming. Let's blast open the door.
30. Blasters and swords.
31. Meanwhile where there is no fighting...
32. Oh no, more slayers. They are going to kidnap the princess.
33. His buckle better not become unwashed.
34. Now the quest has begun.
35. Wait, our hero is dead?
36. Like that fire will burn down a castle of stone.
37. Slayer victory party.

38. Our narrator arrives.
39. I can save only one. I choose this guy.
40. There is no time for grief. You should not have waffled.
41. You will face the beast. Aka the final level boss.
42. You will need the glaive.
43. Your quest begins at the cave at the highest peak.
44. Now the thrilling walking up the mountain scene.
45. The rockslide from that one show.
46. Avoid the rocks to live.
47. Now more climbing.
48. Now even more climbing.
49. What is he doing now? Oh yeah, more climbing.
50. Are we going to watch him climb all the way to the top?
51. At last, the cave.
52. Beware the lava.
53. You wouldn't want to get lava on your sleeve.
54. It's not lava at all, but warm jello.
55. The glaive reveal!
56. Now the thrilling climbing back down scene.
57. Beauty and the beast who will be king.
58. It's never at the same place twice, so we wait here and eventually it will come here.
59. The next stop on our quest is to seek the blind seer.
60. We have another member of our party.
61. Our wizard isn't from around those parts.
62. I do not travel with peasants and beggars, but I'm afraid of cyclopes.
63. This arctic area is a good spot, they'll never look here.
64. This terrible road will save us time, but we'll die from the robbers.
65. All of us escaped prisoners have accents.
66. 9 men like you are worth an army.
67. We are being followed by a cyclops.
68. We can only afford a salary for 4, so us 4 will go.
69. Were we supposed to think they walked right into solid rock?
70. What is your name... I mean, I will seek the fortress for you.
71. This gem must be worth a few dollars.
72. I am Ergo and the rest of my spiel...
73. I am Titch, we'll share my cinnamon bun.
74. Green is my color. Cloak and gems and all.
75. The black fortress is ...
76. Off to the great swamp then?
77. The temple is in the center of the swamp, like all good temples.
78. Slayers -- blast!
79. Slayers are afraid of the cyclops.
80. Those whips are helpful.

81. All men need company.
82. I'd wish for a gooseberry pie or a puppy or ignorance...
83. Meanwhile in the black castle...
84. We get to see a little more of the beast.
85. Quicksand the old nemesis of travellers.
86. Pull him in.
87. The king has a weak grasp.
88. That's the evil one.
89. I recognize this tree because trees never change.
90. Since we're here, I must be alone with the king.
91. Beastly dieing....
92. The changeling is a weapon.
93. Everything we have done so far is meaningless.
94. So, let's seek the widow of the web.
95. I know her name, but won't share that info with anyone should I die...
96. Ergo turned into a puppy for titch.
97. Getting out of the swamp was easier than going in.
98. Each to his fate...
99. We have no food, and we are all too tired to hunt.
100. So, let's have someone's wife bring food.
101. Faithful is my middle name -- I am faithful to all my wives.
102. Eat something for me -- I promise it is not poisoned.
103. This castle needs a better interior decorator.
104. I found a window -- nope.
105. I can assume any form...
106. There is no love in us.
107. Power is fleeting -- love is eternal.
108. Each hour you delay, more innocent -- I mean -- people will die.
109. I seek the widow.
110. Enter and die like a male spider.
111. Spiders detect movement on their webs.
112. He calls me by name?
113. I will give him some time.
114. We will watch him climb the whole time.
115. Wait, it went back some...
116. The sand is still flowing, chop chop.
117. If he wasn't so darn slow...
118. We'll reuse this spider move.
119. We had a son... I killed him when he was born.
120. The black fortress rises in the iron desert.
121. No one can escape the web.
122. I must die for you to escape and you will die as well.
123. Spiders hate sand, everyone knows that.

124. He is the slowest climber, I thought he would never make it.
125. You must be quick, but I die here.
126. We'll bury him here. We have plenty of time to travel 1000 leagues.
127. He should have asked for the day after tomorrow...
128. "Firemares" is always the answer.
129. Here they come into the box canyon.
130. They are new to this....
131. The cyclops dies here. Each to his fate.
132. We'll start fires all along the way. Hooray!
133. Apparently these horses travel as the crow flies.
134. They travel 42 leagues and hour, or 125 mph.
135. Since the firemares can fly, why not .. oh well.
136. Nice of the slayers to open doors.
137. The cyclops changed his mind.
138. And they made it who would have guessed?
139. That was quite the move -- or not.
140. If we know anything it's that this castle makes no sense.
141. Use the glaive Luke...
142. Liam dies here. Good thing they didn't have fewer than 9...
143. A tiger? I guess slayers are afraid of tigers.
144. We must split the party here.
145. This green screen was brought to you by Glaive.
146. There is a way in, but it will take an hour or so.
147. Meanwhile as the glaive makes a complicated opening...
148. Why did he get the knife? They had stopped.
149. You must fight him away from the center.
150. Good thing he practiced on the way there.
151. If it bleeds we can kill it...
152. A glaive to the heart, but you don't get it back.
153. Let it go Dude, you've never used it before.
154. We can just walk up and grab it then?
155. He was only mostly dead.
156. It's us not the glaive, it is us.
157. Have a little fire scarecrow.
158. Now that it is burnt crispy, perhaps the glaive will return.
159. Follow the trail of blood, it's the hero's way.
160. They'll never escape that mess of a castle...
161. Yeah, stop there in the middle of the bridge.
162. Dramatic pause after dramatic pause.
163. This new trick I learned is quite handy.
164. Now we have to climb down these cliffs -- we're down.
165. Back to the beginning.
166. There son will rule the galaxy, and his name is Thanos...`
