1. GENERAL TERMS

- All drawings will include a small watermark that may **not** be removed, edited, or altered in any way.
- I most likely will post the piece on social media with **reduced resolution** and may include a larger watermark that will not be present in the final, full resolution product delivered to you. If you are uncomfortable with me posting the piece to social media, **please let me know in your initial DM**.
- Prices are subject to change based on demand.
- I have the right to reject any order that I do not feel comfortable drawing for any reason.
    - Common reasons to deny orders may be, but are not limited to: Requesting hate speech (such as transphobic or racist slurs or content) or feels outside my abilities to do well (in which case I may recommend another artist. I will always be honest with what I feel capable of doing).
- Upon ordering a commission, please make sure you:
    - Send at least one reference photo be it art, a picrew, a real life photo, video game image, etc.. If they have tattoos, **please send references**. If you'd like me to design their tattoo, we can discuss the price of that too!
    - Discuss any specific additional details you would like me to include or keep in mind! I will always send at least two updates (the sketch & the lines), and may send flats as well if there's customizations that deviate from the references to make sure they're accurate!

2. PAYMENT

- Accepted currency is **USD** through **PayPal**. Other methods may be discussed upon request.
- Commissions are typically charged in full **ahead of time** unless specifically discussed otherwise.
    - We may discuss payment plans! Though typically I will wait for the payment to be received in full before sending the full resolution image.
- An invoice will be sent to **your** PayPal email, so please do not send payment before the Invoice has been sent, unless another method has been discussed ahead of time.

3. PROCESS & DELIVERY

- I can only accept refunds if I have yet to start the commission.
- The time it takes to finish a commission varies between **1 week and 6 months**. This depends greatly on how much work I have to complete, the complexity of the commissions pending, as well as my health.
    - Regarding health, my flare ups are unfortunately unpredictable and often sudden. I will always be upfront about them as they happen, and will update you (and my socials) as often as I can ❤️ Don't hesitate to reach out to me at any point!
- Should anything else come up that might interrupt the progress of the commission beyond the promised delivery time, I will let you know immediately.
- Once the piece is finished you will receive the full-resolution image along with a web-friendly size. My commissions are defaultly strictly a digital product. However, should you want a print, a canvas print, or any other physical product, we can discuss pricing and timing and so on!

4. REVISIONS

- I will show progress shots at the: **Cleaned sketch phase**, **line stage**, and **flat colors stage**. The finished, rendered piece will be shown upon delivery. Please request any changes **before** the finished piece is delivered. I want to make sure you get exactly what you're hoping for! ❤️
- For every correction, I will show another screenshot once the error has been corrected to make sure it looks the way you want it to!
- If you'd like changes on the final piece, I will charge a fee depending on the complexity of the change, unless it is an error on my end.

5. COPYRIGHT & USAGE POLICIES

I, TK Farias (the artist), claim the rights to the produced drawing, not the buyer. Therefore I am allowed to use the copyrighted artwork to:

- Promote myself with it on socials and my website.
- Publish the work in public spaces (such as galleries).
- Post it where I find it relevant.

The buyer is allowed to:

- Use the commissioned piece for personal use unless agreed otherwise (such as a profile image for the character or posting to socials, always **with credit**),
- Print the artwork and claim the character(s) as their own, but **not** the artwork itself.
- Use the artwork to promote their characters and projects the character/s may be a part of. However, do not claim the art as their own.
- Use the artwork in monetized spaces (such as YouTube), so long as the art is credited, and so long as the money being made isn't because of the art.

The following is considered copyright infringement:

- Reproducing/using the copyrighted artwork commercially.
- Claiming the artwork as your own.
- Removing my signature and/or watermark from the artwork.
- Altering the artwork without my consent.

I reserve the full rights to the image and its use/distribution unless otherwise agreed upon (rights to the image for your own non-personal use may be purchased at any time).

6. CUSTOMER SATISFACTION

- I will do everything I can to make my customers happy! It's such an exciting time to get art of your characters, loved ones, and moments in your life, I want to do my best to make sure it's a good time for you ♥
- If you have a problem with anything in regards to the commissioned piece please let me know so we can work it out!
- If you'd like to alter any of these terms, please let me know before I begin your commission for us to figure out alternatives!

7. REFUNDS & CANCELLATIONS

- The buyer is not allowed a refund once I start working on the commission.
- If for any reason I am unable to start your commission you will receive a full refund.
- If you cancel your order before I started it, you can get a full refund.
- If you are getting a refund, please do not request a Paypal chargeback! I will transfer the money back to you myself!
