

Dear Parents/Guardians of Mme Cashin's students,

The format for our Christmas concert this year affects your child. This year, Grade K-2 class will be performing in the evening, and grade 3-6 classes will be performing in the afternoon.

As Mme Cashin's class has students in both grades 2 AND 3, we have decided that they will actually perform in both concerts so that they are all performing in the same concert as their respective grade levels and their respective choirs.

You may choose to come and watch either concert, but please note:

- Primary choir (grades k-2) will be performing in the evening (6:00PM) concert.
- Elementary choir (grades 3-6) will be performing in the afternoon (1:15PM)
- If you choose to go to the afternoon concert, we would really appreciate you bringing your child back for the evening concert if possible, so that the entire class is represented. Please let us know if your child is unable to attend the evening concert.
