March 1st - House Meeting
March 4th-8th - Parent-Teacher Conference Week
March 7th - ATLAS Writing Test
March 8th - Snack Day

Next Week's Learning:

Science- Weather vs. Climate
Math- Measuring with Mass and Capacity
SEL- Using our learning power of Connection
Literacy- Text Structures
Writing: Opinion Writing

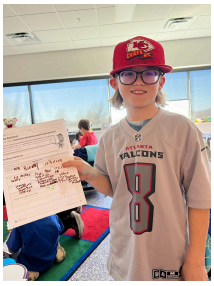

Celebrations:

- Students had a blast on our field trip to Crystal Bridges. They learned so much that they can apply to our upcoming writing ATLAS test.
- **Justin Taylor from the Boston Mountain Solid Waste District came and spoke to our students about the many types of graphs his profession uses.**
- We completed our Science Interim ATLAS test and the students did fantastic. We are so proud of their hard work and effort.
- Junior Achievement was a huge success. Students learned so many things about our economy and how money works in the real world.
