

Article Processing Charge

Institutions and Economies does not charge a submission fee. An Article Processing Charge (APC) is payable only after a manuscript has been formally accepted for publication.

The APC is US\$150 (US\$: One Hundred and Fifty Only) per accepted article.

All payments must be made to Universiti Malaya through the official [UM E-Pay portal](#). Payment instructions will be provided to the corresponding author following acceptance.

Authors should not make any payment before receiving the journal's official acceptance letter and payment instructions.
