

Privacy Policy

Effective Date: 13 January 2024

Xylophone Hero ("the App") is a xylophone game designed for users of all ages, including children. This Privacy Policy outlines how the App handles data and ensures compliance with privacy regulations. By using the App, you agree to the practices described below.

1. Data Collection

The App itself does not directly collect or store any personal data from users. However, the App uses third-party services that may collect data as described below.

Third-Party Services

The App integrates the following third-party tools that may collect data:

1. **Google Analytics**

- Purpose: To analyze app usage and improve user experience.
- Data Collected: May include device information, app usage data, and general location (non-precise).
- Learn more: [Google Analytics Privacy Policy](#)

2. **AdMob by Google**

- Purpose: To display ads within the App.
- Data Collected: May include device identifiers, app interactions, and ad-related data.
- Learn more: [AdMob Privacy Policy](#)

Please note that the data collected by these services is governed by their respective privacy policies.

2. Data Usage

The data collected by third-party services is used to:

- Improve the functionality and performance of the App.
- Display personalized or relevant advertisements.

The App does not sell, rent, or share any personal data with unauthorized third parties.

3. Children's Privacy

The App is designed for children and complies with applicable laws, including the Children's Online Privacy Protection Act (COPPA).

While the App itself does not collect personal data, third-party services such as AdMob and Google Analytics may collect limited data as described above. These services are configured to comply with regulations for apps directed at children, including restrictions on data collection and personalized advertising.

Parents or guardians are encouraged to review the privacy policies of these third-party services to understand their practices fully.

4. User Rights

As the App does not collect or store data directly, users do not need to request data deletion from the App. However, for any data collected by third-party services, users may refer to their privacy policies to manage or opt out of data collection:

- Google Analytics
 - AdMob
-

5. Security Measures

The App prioritizes the security and privacy of its users. While the App does not collect data directly, it ensures that third-party services used comply with industry standards for data security and privacy.

6. Changes to This Privacy Policy

This Privacy Policy may be updated from time to time to reflect changes in the App's practices or legal requirements. Users are encouraged to review this Privacy Policy periodically for any updates. The "Effective Date" at the top indicates when the policy was last revised.

7. Contact Information

If you have any questions or concerns about this Privacy Policy, please contact:
