

**SEWGRJ Practitioner List and Reads**  
**Somatic Experiencing Working Group for Racial Justice**

Updated: April 2025

Please add resources which support racial justice in our SE community.

If you would like to add yourself to the practitioner list, please do not hesitate.  
There are 2 lists - one for BIPOC and one for white practitioners who are offering work exploring  
white supremacy and anti-oppression.

If you add someone, please double check their SEP status.

This resource is OPEN SOURCE which means it is owned by the community (you) - so please  
let us know if you'd like to add to it and make changes where needed. If you have additions or  
concerns about what is listed, contact [seracialjustice@gmail.com](mailto:seracialjustice@gmail.com)
