Building Bridges Through Prayer and Community

Parish Connect gives students an opportunity to serve our parish through meaningful conversations with fellow parishioners. With Jeff and Judy Kraschnewski coordinating the program, students make friendly calls to thank parishioners for being part of our parish family and ask if there are any prayer intentions we can remember.

This is **not a fundraising, donation, or volunteer recruitment call**. It is simply an opportunity to offer encouragement, prayer, and connection—helping parishioners feel valued and supported while giving students a meaningful way to serve.

All high school students are expected to participate in one Parish Connect shift as part of their service hours. Seventh and eighth graders are strongly encouraged to participate as well.
