

Frisco ISD

Student Immunization Shot Records

The Frisco ISD - Student Immunization Shot Record report displays the shot records that student guardians have provided to their child's campus. If the shot record appears inaccurate or out of date, please contact your student's campus nurse.

Login with your portal (<https://portal.friscoisd.org/>) username and password.

[CLICK HERE](#) to access the report.

Find and click on the tile called **Immunization Records**.

Select the student you will run the Immunization Shot Record for, then click on the **Run Report** button at the bottom.
