

Stake Dance Responsibilities

Responsibilities of the Host Stake Each Year:

- Ensure dance starts and ends on time from 8:00-10:30pm
- Keep the schedule of every month on the second Saturday unless a special conference or event conflicts and we all agree to move the date for that one month. This is something that should be scrutinized well in advance and before dance cards with dates are printed.
- Host the dance all year from January-December
- Make assignments for all the participating stakes for each month for the following (see below)
- Provide at least one representative or couple to each dance to unlock the building for the DJ and assigned stake as well as in case of a specific need or issue during the dance
- Regularly contact each participating stake to keep them up to date on changes, problems, suggestions, etc.
- Create and provide a hard and soft copy of the current stake dance schedule with dress code and a poster size announcement that each stake can use as needed (similar to what we have done the last several years)
- Maintain the Blog and Twitter account
- Make sure the music, lighting and circumstances are appropriate
- Keep on hand some ties or longer skirts for youth not dressed appropriately

Responsibilities of the Stake Assigned Each Month:

- Pay for the DJ (currently \$175)
- Provide refreshments for the evening (approx. 2-300 youth)
- Provide all the Chaperones for the dance
- Create and properly advertise the theme (optional but very fun for the youth)
- Ensure safety of the youth by continually checking all rooms, parking lot, cars, etc throughout the dance
- Help enforce the dance dress standards while youth are arriving
- Make sure youth are dancing appropriately and all standards are kept throughout the dance
