Our Mission

At CECA we are united by our commitment to learning. We seek to empower globally-minded, self-motivated, respectful thinkers who make honorable contributions to their community. We are continually assessing and reflecting using multiple measures including academic data and input from our students, staff, and families.

Our Vision

To develop students who are inquiring, knowledgeable and caring with the greatest opportunity to have a positive impact on both their local and global community, we have established the following vision:

- *100% of CECA students will be immersed in the learning and practice of the International Baccalaureate program.*
- *100% of CECA students will be engaged in social-emotional learning on a consistent basis.*
- *100% of CECA students will be absorbed in the practice of growth mindset.*
- *100% of CECA students will be proficient in reading according to grade-level, nationally normed reading standards.*
- *100% of CECA students will be proficient in mathematics according to grade-level mathematical fluency standards as established by the adopted Common Core State Standards.*
- *100% of CECA students will be proficient in writing based on nationally normed writing standards.*

The International Baccalaureate Mission Statement

The International Baccalaureate® aims to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect.

To this end the organization works with schools, governments and international organizations to develop challenging programmes of international education and rigorous assessment.

These programmes encourage students across the world to become active, compassionate and lifelong learners who understand that other people, with their differences, can also be right.
