

NLRMS 7/8
Message to Parents
11.16.2025

Good Evening NLRMS 7/8 Family,

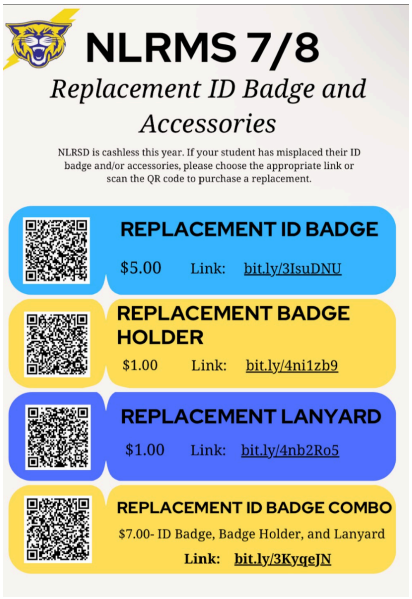

As we enter our final week before Thanksgiving Break, we have so much to celebrate on our campus! First, our students are meeting expectations regarding badges, attendance, and academic engagement. At Friday's dance, only *three* students arrived without their ID badges! Our schoolwide expectation is that students must have an ID badge for hall passes and school events, and our students are clearly rising to meet this expectation. In addition, only 25 students needed to attend Saturday School for having two or more tardies, another sign that students are making positive choices and meeting expectations.

We also want to celebrate the hard work and academic growth our students showed on the Interim I Assessment. Even though we haven't yet covered all grade-level content, our students still demonstrated meaningful growth from last year's end-of-year assessments to this first interim checkpoint.

- **8th Grade:** Proficiency in English grew by 5%, and Science proficiency increased by 1%.
- **7th Grade:** Science proficiency increased by 4%.

These gains reflect our students' commitment to learning and the strong support they receive from teachers and families. Thank you for contributing to the positive momentum on our campus. Let's carry this energy into a strong finish before the break!

****Follow the instructions in the graphic below to purchase an ID Badge.****

Announcements/Reminders

Updated Response to Student Attendance

Please review our October 29 "Message to Parents" regarding our updated response to students being present and on time for learning. We also shared this video with students to inform them of these updates. Students who have 2 or more tardies this week will be assigned to attend Saturday School.

Who's Who at NLRMS 7/8

Who's Who at NLRMS 7/8 - Please check out this link anytime you need assistance. This slideshow will let you know which of our staff members to contact when you need assistance. *If your student has any concerns about an ongoing issue, please reach out to a counselor, dean, or assistant principal so that we can work with you to resolve the issue. We know that middle school can be challenging (academically and socially) and we want to ensure that we are working to meet ALL of our students' needs.*

Upcoming Events
