

Hello.

I am making this doc anonymously to expose the popular Reddit and Discord mod Taiwan Guy, who has committed some heinous acts I'll highlight in this document.

First of all, I'd like to start off with the fact he's g#y, this is obviously really bad since being g#y is very inappropriate and not how it's supposed to be.

If you don't like me then so be it!

mphm~~!

Nahhhh he's a guy but doing sus anime things nahhh

He X reacted EBG's videos, which caused people not to watch, which is obviously more horrible than EBG acting inappropriately towards a minor and being racist.

In conclusion, Taiwan Guy is a horrible person and should be banned everywhere, goodbye.
