This is a living document and I will add more as I think of them

SELFIES
Upload 10 selfies with each prompt, trying to get each angle of your face.

Note: be sure to edit the description of the woman in each prompt to accurately reflect your own selfies

Feel free to add or take away anything from these descriptions to make it unique and to suit your needs.

Germanic woman:

Please use the woman in these selfies as a subject to generate a photo of her in the style of historic (1800s) Germanic style. She should look happy, thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair.

In a field at golden hour:

Please use the woman in these selfies as a subject to generate a whimsical photo of this person with colorful, flowing fabric behind her being caught by the wind in an open, outdoor field during golden hour. She should be smiling or lightly laughing and look effortlessly beautiful. She should be thin but not unhealthy. She should have chest-length wavy dark brown hair and black glasses on her face.

Dancing in a city at night:

Please use the woman in these selfies as a subject to generate a lively candid photo of this person caught mid-dance in a bustling city square with blurred motion effects. She should be smiling or lightly laughing and look effortlessly beautiful. The scene should be dusk or late at night with city lighting. She should be thin but not unhealthy. She should have chest-length wavy dark brown hair and black glasses on her face.

In a library:

Please use the woman in these selfies as a subject to generate a photo of her exploring a grand library, appearing lost in thought while browsing a tall bookshelf filled with books. The lighting and aesthetic should be dark and academic, but still clearly visible. She should look effortlessly beautiful. She should be thin but not unhealthy. She should have chest-length wavy dark brown hair and black glasses on her face.

In the snow at night:

Please use the woman in these selfies as a subject to generate a photo of the woman in a winter jacket with a puffy trim around the hood, gently smiling in the snowfall. The scene should be dark, as if taken at night with a flash on the camera. She should look effortlessly beautiful. She should be thin but not unhealthy. She should have chest-length wavy dark brown hair and black glasses on her face.

Music festival:

Please use the woman in these selfies as a subject to generate a photo of the woman dancing freely at a music festival. She should look happy, and effortlessly beautiful, and be dressed in casual outdoor clothes. The scene should be sunny, and she should be surrounded by strangers dancing to the same music. Add a tilt shift to keep the focus on the main woman subject. She should be thin but not unhealthy. She should have chest-length wavy dark brown hair and black glasses on her face.

WWII nurse:

Please use the woman in these selfies as a subject to generate a photo of the woman in the style of a World War 2 nurse. She should be focused on her work, tending to wounded soldiers in the field, but still effortlessly beautiful. She should be thin but not unhealthy. She should have chest-length wavy dark brown hair and black glasses on her face.

1950s:

Please use the woman in these selfies as a subject to generate a photo of the woman in the style and scene of 1950's America. She should be happy, thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair and black glasses on her face.

1920s:

Please use the woman in these selfies as a subject to generate a photo of the woman in the style and scene of 1920's America. She should be happy, thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair and black glasses on her face.

1970s:

Please use the woman in these selfies as a subject to generate a photo of the woman in the style and scene of 1970's America. She should be happy, thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair and black glasses on her face.

1980s:

Please use the woman in these selfies as a subject to generate a photo of the woman in the style and scene of 1980's America. She should be happy, thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair and black glasses on her face.

1990s:

Please use the woman in these selfies as a subject to generate a photo of the woman in the style and scene of 1990's America. She should be happy, thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair and black glasses on her face.

Y2K:

Please use the woman in these selfies as a subject to generate a photo of the woman in the style and scene of early 2000's America. She should be happy, thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair and black glasses on her face.

On Hollywood sign:

Please use the woman in these selfies as a subject to generate a photo of the woman sitting on top of the Hollywood sign, happily waving to the city below. She should be thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair and black glasses on her face.

Eiffel Tower:

Please use the woman in these selfies as a subject to generate a photo of the woman standing in front of the Eiffel Tower in Paris. The scene should be a clear night with stars, with no tourists behind her. She should be happy, thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair and black glasses on her face.

Las Vegas sign:

Please use the woman in these selfies as a subject to generate a photo of the woman standing in front of the Las Vegas sign on the busy Vegas strip. The scene should be a clear night with the neon lights providing light for the photo, with no tourists behind her. She should be thin but not unhealthy. She should have chest-length wavy dark brown hair and her black glasses on her face.

Mediterranean scene:

Please use the woman in these selfies as a subject to generate a photo of the woman on a picturesque Mediterranean island. She wears a vibrant, off-the-shoulder, floral maxi dress and stylish oversized sunglasses. Her hair is styled in natural, beachy waves, and she has a radiant, sun-kissed glow. She is captured mid-laugh, leaning against a whitewashed wall adorned with blooming bougainvillea. In the background, the sparkling turquoise sea and a charming coastal village are visible. The lighting is bright and airy, capturing the intense Mediterranean sun and casting soft, flattering shadows. The overall mood is joyful, relaxed, and carefree. The final portrait should be vibrant and full of life, with rich colors and a sharp focus on her exuberant expression. She should be thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair and her black glasses on her face.

Cyberpunk neon:

Please use the woman in these selfies as a subject to generate a bold urban portrait photo of the woman standing in front of glowing neon lights at night. She wears a leather jacket over a fitted crop top and high-waisted pants, paired with sharp winged eyeliner and bold lipstick. The neon lights - pink, blue, and purple - reflect on her face, giving the image a futuristic cyberpunk feel. She poses with one hand on her hip, looking fierce and confident. She should be thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair and her black glasses on her face.

Boho field:

Please use the woman in these selfies as a subject to generate a cinematic portrait photo of the woman standing in a golden-hour field of tall wild grass, wearing a flowing bohemian-style white maxi dress with delicate lace details. Her hair moves gently in the wind, catching the soft sunlight. She looks slightly over her shoulder with a dreamy expression, holding a sunhat in one hand. The background glows with warm orange and pink hues of the setting sun. The photo should feel airy, natural, and full of warmth. She should be thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair and black glasses on her face.

At the beach at sunrise:

Please use the woman in these selfies as a subject to generate a radiant portrait of the woman at the edge of the ocean during sunrise, wearing a flowy pastel chiffon dress that catches the breeze. Her bare feet touch the wet sand while gentle waves approach in the background. She looks up towards the sky with a serene smile, her hair slightly wet and glowing in the early light. The pastel sunrise colors—lavender, peach, and pale blue—enhance the dreamy, ethereal aesthetic. She should be thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair and black glasses on her face.

Forest fairy:

Please use the woman in these selfies as a subject to generate a hyperrealistic photo of the woman as a forest fairy. She should be mysterious, mischievous, and have twinkling, translucent green fae wings. She should look happy, thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair.

Cafe in paris:

Please use the woman in these selfies as a subject to generate a stunning, eye-catching portrait of the woman at a quaint Parisian café during golden hour. She is dressed in a chic, silky, slip dress and delicate jewelry. Her hair is styled in loose, romantic waves, with a few strands gently blowing in the soft breeze. She holds a vintage-style teacup, her gaze directed thoughtfully towards the softly blurred Eiffel Tower visible in the distance. The lighting is warm and ethereal, with long, soft shadows and a beautiful lens flare effect. The overall mood is one of serene elegance and wanderlust. The final image should be a hyper-realistic, professional portrait with a shallow depth of field, emphasizing her thoughtful expression and the dreamy ambiance. She should look happy, thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair and black glasses on her face.

Tea garden in a monsoon:

Please use the woman in these selfies as a subject to generate a deeply romantic and atmospheric portrait of the woman in the middle of a lush, emerald-green tea plantation in Munnar, Kerala, during a gentle monsoon shower. The air is misty, and the background is a soft-focus vista of rolling hills shrouded in fog. She is wearing a simple yet striking, vibrant crimson red chiffon saree that is slightly damp from the rain, clinging elegantly to her form. The saree has no heavy embroidery, its power lying in its bold color and fluid movement. Her long, dark hair is open and tousled, with glistening raindrops clinging to the strands. Her makeup is natural and dewy, with kohl-lined eyes that stand out. She is captured in a candid moment of pure joy, her head tilted back and a radiant laugh on her face as she feels the rain. The lighting is soft and diffused, typical of an overcast day, which makes the red of her saree and the green of the landscape incredibly saturated and rich. The image should capture the ultra-fine details of the raindrops on her skin and the texture of the chiffon, creating a mood that is both passionate and serene. She should be thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair and black glasses on her face.

Mermaid:

Please use the woman in these selfies as a subject to generate a hyperrealistic photo of the woman as a mermaid gracefully and peacefully laying down, eyes closed and relaxed, basking in the sun on a rock over the ocean waves. Her tail scales should be purple and blue, glinting in the sunlight. The scales at the top of her tail should gently fade into her skin at her waist. Her starfish top should match her tail colors. She should look happy, thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair, dampened by the ocean spray.
Please use the woman in these selfies as a subject to generate a photo of the woman in Titanic-era style, old money aesthetic. She should look happy, thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair and black glasses on her face.

Clean girl:

Please use the woman in these selfies as a subject to generate a photo of the woman in "clean girl" aesthetic. With a face mask on, hair curlers in her long brown hair, wearing an elegant white robe, painting her toes sitting on her bed. A green smoothie sits on the night stand next to her. She should look happy, thin but not unhealthy, and effortlessly beautiful.

Pokemon:

Please use the woman in these selfies as a subject to generate a photo of the woman in the style of the Pokémon universe. She should look happy, thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair and black glasses on her face.

Viking:

Please use the woman in these selfies as a subject to generate a photo of the woman in the style and scene of ancient Vikings. She should look determined, thin but not unhealthy, and effortlessly beautiful. She should have long braided blonde hair, and a weapon and/or shield fitting the era and location.

Hawaii:

Please use the woman in these photos as the subject to generate a hyperrealistic photo of the woman in Hawaii on the beach on a sunny day. She should look happy, be thin but not unhealthy, and effortlessly beautiful. She should have chest-length dark brown hair and her black glasses on her face.

Ghostface trend:

Please use the woman in these photos as the subject to generate a hyperrealistic photo of the woman laying on her stomach on her bed with her feet up, talking on the phone. She should look thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair, and her black glasses on her face. The style of the photo should reflect that of the 1990s, and she should have posters on her bedroom walls reflecting the time period as well. She should be wearing a crimson red silky pajama slip. Her bedspread should be black with red accents. The phone should be a white wired landline telephone from the 1990's. Behind her in the shadowy entrance of her bedroom door, a man in a ghostface costume is standing with a knife in his hand, not moving but looking at her. She cannot see him nor does she know he's there. The lighting should be dim, with a flash coming from the camera enough to illuminate the woman, and barely illuminate the killer.

Roman empress:

Please use the woman in these photos as the subject to generate a hyperrealistic photo of the woman in the style and scene of a Roman Empress. She should look happy, be thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair, and her black glasses on her face. Make her be standing on a marble balcony overlooking Ancient Rome.

Jungle explorer:

Please use the woman in these photos as the subject to generate a hyperrealistic photo of the woman as an explorer on a 19th-century zeppelin over a jungle canopy. She should look happy with a gentle smile, be thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair, and her black glasses on her face.
Please use the woman in these photos as the subject to generate a hyperrealistic photo of the woman as an Ancient Greek goddess in the ruins of a temple. She should look happy, be thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair, and her black glasses on her face.

Film Noir:

Please use the woman in these photos as the subject to generate a hyperrealistic photo of the woman in a film noir style. Standing under a flickering neon sign in the rain, shadows are harsh. She should be thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair, and her black glasses on her face.

Medieval castle:

Please use the woman in these photos as the subject to generate a hyperrealistic photo of the woman as a medieval noble at the hearth of a great castle hall. She should look happy, be thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair, and her black glasses on her face.
Please use the woman in these photos as the subject to generate a hyperrealistic photo of the woman as an inhabitant of the sunken city Atlantis, surrounded by glowing ruins and exotic sea life. She should look happy, be thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair, and her black glasses on her face.

Cottagecore:

Please use the woman in these photos as the subject to generate a hyperrealistic photo of the woman in a cottagecore aesthetic: Baking bread in a rustic, sunlit kitchen with a floral apron. She should look happy, be thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair, and her black glasses on her face.

Norwegian fjords:

Please use the woman in these photos as the subject to generate a hyperrealistic photo of the woman hiking in the fjords of Norway with dramatic cliffs and cold blue water. She should look happy, be thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair, and her black glasses on her face.
Please use the woman in these photos as the subject to generate a hyperrealistic photo of the woman observing the Northern Lights (Aurora Borealis) from a cabin window in Iceland or Alaska. She should look happy, be thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair, and her black glasses on her face.

Turkish Market:

Please use the woman in these photos as the subject to generate a hyperrealistic photo of the woman at a vibrant, crowded street market in Marrakech or Istanbul. She should look happy, be thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair, and her black glasses on her face.

Apocalypse:

Please use the woman in these photos as the subject to generate a hyperrealistic photo of the woman as a Post-Apocalyptic Survivor. Dressed in ragged gear, standing next to a rusted vehicle in a vast, desolate, and overgrown landscape. She should look rugged and determined, be thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair, and her black glasses on her face.

Gondola:

Please use the woman in these photos as the subject to generate a hyperrealistic photo of the woman in a Gondola in Venice. Floating down a narrow canal at twilight, with historic buildings on either side. She should look happy, be thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair, and her black glasses on her face.

Circus acrobat:

Please use the woman in these selfies as a subject to generate a photo of the woman performing a daring feat of acrobatics (like walking on a high tight rope or hanging upside down from a trapeze) in a glittering circus tent. There should be a large, excited audience. Her clothes should match the attire of a circus acrobat, a colorful leotard. She should look happy, thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair and black glasses on her face.

Ghost in cemetary

Please use the woman in these selfies as a subject to generate a hyperrealistic photo of the woman in a cemetery at night. She should look deep in thought, almost menacing. She should be thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair. Her clothes should be ethereal, flowing in the night wind. She should appear almost ghost-like.

Barbie:

Please use the woman in these selfies as a subject to generate a hyperrealistic photo of the woman in the style and scene of the Barbie movie. She should look happy, thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair and black glasses on her face. There should be bright colors in the background and her clothes, and pink should be a predominant color.

2000's emo:

Please use the woman in these selfies as a subject to generate a hyperrealistic photo of the woman in the style and scene of early 2000's emo. She should have long, straight, black hair with her bangs covering one of her eyes. She should be wearing black, ripped skinny jeans and a black tee shirt. She should have heavy makeup matching the emo aesthetic. There should be bright pink, green, and blue streaks in her hair. She should look depressed but not actively sad or crying, thin but not unhealthy, and effortlessly beautiful. She should have her black glasses on her face.

Mountaintop:

Please use the woman in these selfies as a subject to generate a hyperrealistic photo of the woman at the top of a lush mountain, overlooking the trees and small town below. The leaves should be autumnal, oranges and yellows and reds. She should look happy and at peace with the world, a bit frazzled from the long walk, thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair and black glasses on her face.

Running a 5k:

Please use the woman in these selfies as a subject to generate a hyperrealistic photo of the woman gracefully running in a 5K. There should be other runners around her, but she should be the main focal point of the photo. She should look determined, content, a bit frazzled from the run, thin, and effortlessly beautiful. She should have chest-length wavy dark brown hair and black glasses on her face.

With a pixie cut:

Please use the woman in these selfies as a subject to generate a hyperrealistic photo of the woman with a hot, modern pixie haircut. She should look happy and confident, thin but not unhealthy, and effortlessly beautiful. She should have black glasses on her face.

Lofi bedroom:

Please use the woman in these photos as the subject to generate a photo of the woman in a [fall/winter/spring/summer] aesthetic bedroom, with a gaming headset on and typing on a gaming PC. The room should look similar to those found in Lofi music videos. She should look focused on her work, be thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair and her black glasses on her face. Also put a sleeping gray striped cat on the bed in the background.

Christmas in the suburbs:

Please use the woman in these selfies as a subject to generate a hyperrealistic photo of the woman on Christmas, outside her suburban home at night in the snow. The lighting should come from the myriads of Christmas lights twinkling around and behind her. The clothing should match the scene, with a royal eggplant purple winter coat with a brown fur trim on the hood. She should look happy and effortlessly beautiful. She should have chest-length wavy dark brown hair and black glasses on her face. Snowmen and christmas decorations line the street and houses behind her. Please use the woman in these photos as the subject to generate a hyperrealistic photo of the woman as a Dragon Rider: Soaring through the clouds on the back of a majestic dragon, overlooking a sprawling fantasy kingdom. She should look determined and regal, be thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair, flowing in the wind. The dragon should be black with some purple, blue, and red scales shimmering in the sunlight.

Tarot Cards: **The Lovers is in the couples section at the end of this document**

*Note that the Devil card gave me some TOS pushback. Just continue to encourage Gemini to make the card with no sexual features.

Please use the woman in these photos as the subject to generate a photo of the woman as a tarot card "[CARD NAME HERE]". She should look witchy and regal, be thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair. Her clothes and the background should match the aesthetic of a tarot card.
Please use the woman in these photos as the subject to generate a hyperrealistic photo of the woman on the cover of a high fashion magazine such as Vogue or Prada. She should look like a model, have clothes that match the magazine, be thin, and effortlessly beautiful. She should have chest-length wavy dark brown hair, and her black glasses on her face. She should have an attitude about her that comes through the photo, like hands on her hips and the angle she is leaning, as well as the look on her face.

Sunflower field:

Please use the woman in these photos as the subject to generate a hyperrealistic photo of the woman frolicking in a sunflower field. She should look happy, be thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair, and her black glasses on her face.

Minnie at Disney:

Use the woman in these selfies as a subject to generate a hyperrealistic photo of the woman in the middle of Disneyland, wearing a red and white polka dot dress at knee length, a black cropped cardigan, and Minnie Mouse inspired Disney ears. She has a big smile on her face, and is excited to get to the next ride. She had some popular Disney snacks in her hand, and a Mickey Mouse Fanny pack on her waist. Her shoes are black heels, with no socks or tights. She is thin but not unhealthy, has chest-length brown hair, and her black glasses on her face.

Avatar:

Please use the woman in these photos as the subject to generate a photo of the woman in the style and scene of Avatar the Last Airbender. She should look happy, be thin but not unhealthy, and effortlessly beautiful. She should have chest-length wavy dark brown hair, and her black glasses on her face. Make her a [air/water/fire/earth] bender please.

Paris:

Please use the man and woman in these photos as the subject to generate a photo of the couple standing in front of the Eiffel Tower in Paris. The vibe should be romantic. The scene should be a clear night with stars, with no tourists behind the couple. They should both look happy, thin but not unhealthy, and effortlessly attractive. She should have chest-length wavy dark brown hair and black glasses on her face. The man should have his black glasses and a very short slightly bushy beard.

Rome:

Please use the man and woman in these photos as the subject to generate a photo of the couple standing in front of the colosseum in Rome. The vibe should be romantic. The scene should be a clear night with stars, with no tourists behind the couple. They should both look happy, thin but not unhealthy, and effortlessly attractive. She should have chest-length wavy dark brown hair and black glasses on her face. The man should have his black glasses and a very short slightly bushy beard.

Beach at sunset:

Please use the man and woman in these photos as the subject to generate a photo of the couple standing on a beach at sunset. The vibe should be romantic. They should both look happy, thin but not unhealthy, and effortlessly attractive. She should have chest-length wavy dark brown hair and black glasses on her face. The man should have his black glasses and a very short slightly bushy beard.

Wedding:

Please use the man and woman in these photos as the subject to generate a photo of the couple standing at the alter at a beautiful and romantic indoor wedding. The woman's wedding gown should be floor-length, and she should have a veil over her hair. The man should be in his US Marine dress blues, as shown in one of the given photos. They should both look happy, thin but not unhealthy, and effortlessly attractive. She should have chest-length wavy dark brown hair and black glasses on her face. The man should have his black glasses and a very short slightly bushy beard.

Photo booth strip:

Please use the man and woman in these photos as the subject to generate a photo of the couple in a photo booth strip of photos. In photo 1, they should be making normal smiles. In photo 2, they should be doing a silly pose with each other. In photo 3, they should be doing a cute pose together. In photo 4, they should be kissing. They should both look happy, thin but not unhealthy, and effortlessly attractive. She should have chest-length wavy dark brown hair and black glasses on her face. The man should have his black glasses and a very short slightly bushy beard.

New York at night:

Please use the man and woman in these photos as the subject to generate a photo of the couple walking through New York City at night. They should be holding hands. They should both look happy, thin but not unhealthy, and effortlessly attractive. She should have chest-length wavy dark brown hair and black glasses on her face. The man should have his black glasses and a very short slightly bushy beard.

Marine Corps Ball:

Please use the man and woman in these photos as the subject to generate a photo of the couple attending the Marine Corps ball. They should both look happy, thin but not unhealthy, and effortlessly attractive. She should have chest-length wavy dark brown hair and black glasses on her face. The man should have his black glasses and a very short slightly bushy beard.

The Lovers Tarot Card:

Please use the man and woman in these photos as the subjects to generate a photo of the couple as a tarot card "The Lovers". They should look witchy, be thin but not unhealthy, and effortlessly attractive. She should have chest-length wavy dark brown hair. He should have a very short, slightly bushy beard and his black glasses on his face. Their clothes and the background should match the aesthetic of the tarot card.
