

See instructions below. Double check it takes because it tends not to.

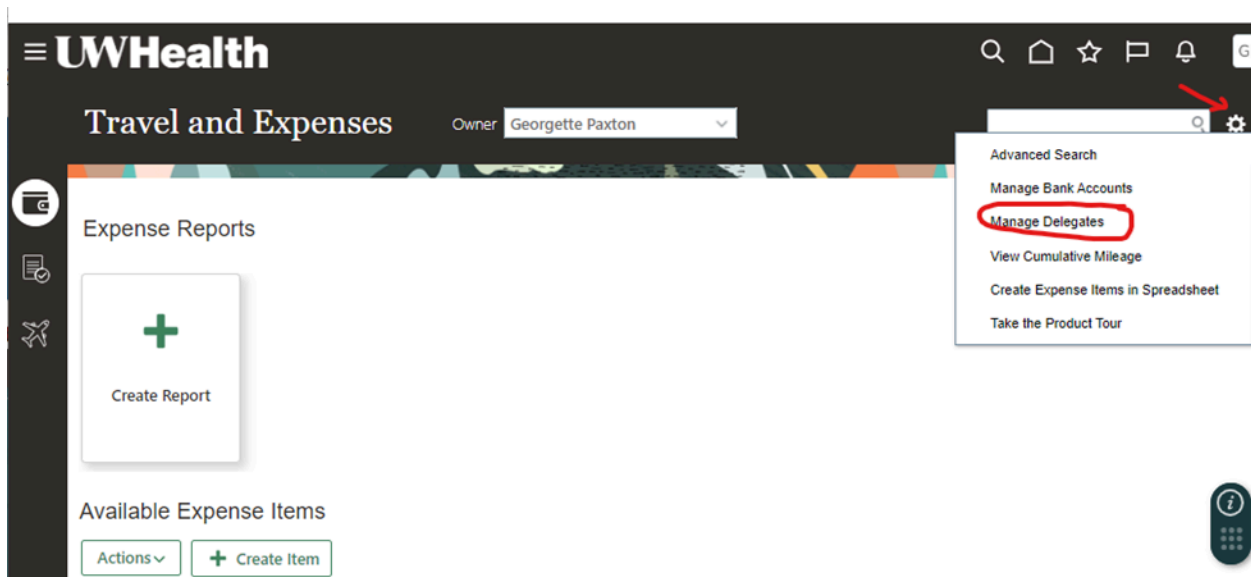

Please navigate to Pulse: <https://pulse.uwhealth.org/> Under the Quick Links tab (top, far right) there will be an option for "Oracle Cloud". Please click this, then log into the Oracle sign-on screen with your UW Health username and password.

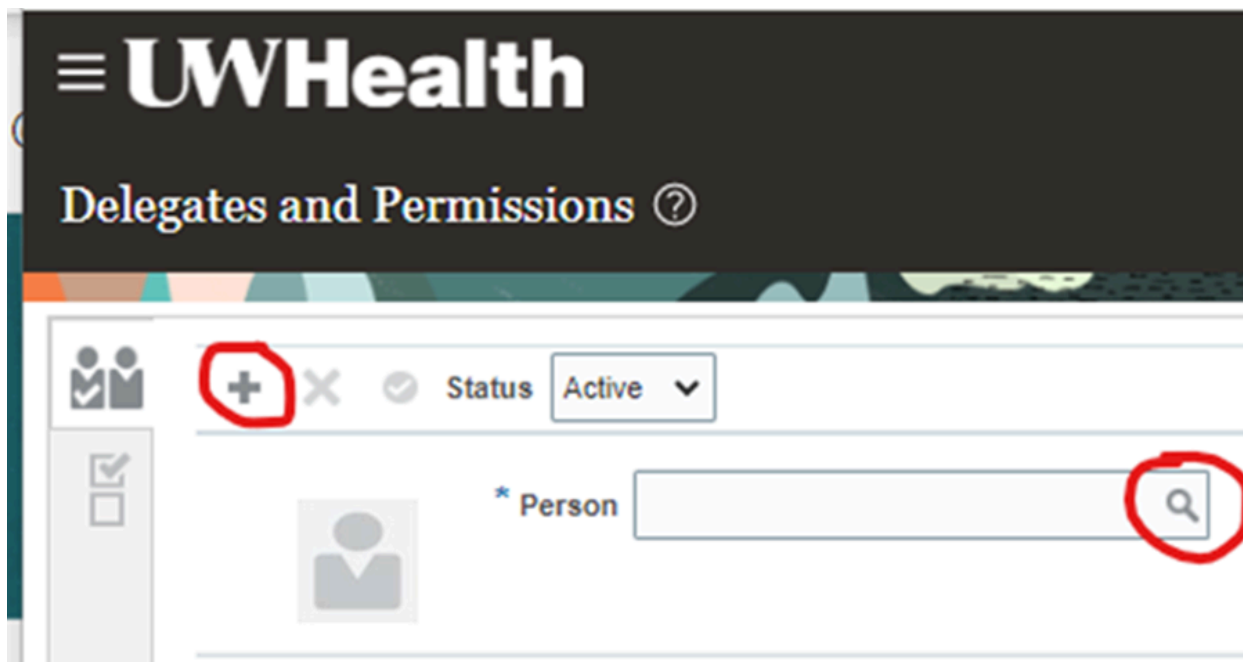

You will then see a green dashboard: Click the box for EXPENSES.

On the Travel and Expenses screen, click the gear icon on the top right, then click **MANAGE DELEGATES**.

Then click the Plus Sign + on the top left. A "Person" line will appear. Click on the Magnifying Glass.

In the search box that appears, change the search type to Advanced (button under the X) and change the person or email criteria to CONTAINS.
