

Privacy Policy for n8n Management

Effective Date: 13/04/2026

n8n Management does not collect, store, or share any personal user data.

This application is designed to allow users to connect to their own n8n instance using their own API key and server URL. All data interactions occur directly between the user's device and their configured n8n server.

Data Handling

- We do **NOT collect any personal data**
 - We do **NOT store API keys on external servers**
 - API keys and server URLs are stored **locally on the user's device only**
 - We do **NOT track, monitor, or analyze user workflows**
-

Third-Party Services

n8n Management communicates only with the API endpoint provided by the user.

We do **NOT use any third-party analytics, tracking tools, or advertising services.**

Permissions

The app may require the following permissions:

- **Internet access** – to connect to the user's n8n server
 - **Local storage (if applicable)** – to securely store API credentials on the device
-

Security

We take reasonable measures to protect user data stored locally on the device.

However, users are responsible for keeping their API keys secure. The app is not responsible for any loss or misuse of data caused by compromised credentials.

Children's Privacy

n8n Management is not intended for use by children under the age of 13.

We do not knowingly collect any data from children.

Changes to This Policy

We may update this Privacy Policy from time to time. Users are encouraged to review this page periodically for any changes.
