

BUTTERFLY WINGS

FASHION SHOWS

When we step outside our little cocoon (club) and mingle with others.

In Fashion Shows we will be having a fashion showdown against our sister club(s) for the first three rounds there will be simple elimination of 50% contestants with lowest votes i.e. half the contestants from each club with low votes will be eliminated. In the remaining rounds there will be a Knockout elimination i.e two contestants will go up against each other and the voters will vote for one. The contestants will be paired up according to their game levels for the knockout rounds. There will be a concept for the complete Fashion Show and separate sub themes for individual rounds (Like we had in Ballet Dreams).

Fashion Show 1

Our First Fashion Show will be held with our sister club 'Pixie Dust'

The Theme for the Fashion Show is 'A Royal Wedding'

Sub themes and concepts will be provided separately with each round's entry form so
PLEASE READ THE ENTRY FORMS CAREFULLY.

The contestants are free to influence their outfits from any culture, fashion or era from all
over the world.

Happy Styling!!!!

Regards,
