Speaker	Description
Music Opener	[CUE MUSIC]
Name of host	[CUE NAME OF HOST] HOST1: Welcome to Sample Podcast, I'm your host Jane Doe, and we're going to start by talking about something. Something is a problem, and there are a lot of reasons why something is a problem, but there's no clear solution to that something! [:17]
Seque	Cue music {tone= serious and melancholy}
SOUND FX:	[Sound of ocean and boat motor]
[CLIP OF INTERVIEWEE]	"This place is about uh... 40 miles off the coast of somewhere. Yeah and it's probably the first record of when something occurred, but nobody here can recall anything about it... except for John Doe. He's 97 years old and has dementia, but every now and then you can hear John Doe talk about something." [:20]

Sound FX

[Seagulls and more ocean waves]

Name of Host

This is Robert Doe, he's not related to John Doe, at least that he knows of, but there may be a relation. The town of somewhere only has a population of 500, and Robert's mother-in-law is from somewhere, but he grew up someplace else.

[CLIP of
INTERVIEWEE]

"I remember he said that something all got started because that one thing, that one single thing, and that's what started it all."
