

CheesyMint's Commission Info

If you wanna commission me for a piece, just make sure to read the info below and then send me a **note on [FA](#)** or a **dm on [Twitter\(X\)](#)/[Bluesky](#)** so we can discuss the specifics of it, simple as! I'll then reserve you a slot in the queue over [there](#) and contact you once it's your turn!

Important info:

- Once it's your turn in the queue, I'll contact you to take payment and then get started on your comm! Keep in mind that if there's no answer within 48 hours, I'll most likely move onto the next commission in line and knock you back a slot.
- Payments are made through **paypal** invoices in USD. (We can discuss other options, but if possible I would prefer to do it through paypal alone.)
- I allow 2 revisions per stage of the commission, for a total of 10, see below for more info on the commission process.
- I reserve myself the right to refuse a commission if I am not comfortable with drawing it.
- If a payment has already been made, I will refund the full amount in the event that something prevents me from completing your commission.
- I **do not** take private commissions, I post everything I draw online. If you do not want to be named or tagged, please let me know so I can keep your anonymity.
- If you would like me to hold off on posting the commissioned piece publicly until a certain time (In case of a gift or other) please let me know the date in advance.

Base commission pricing
(As of 12/22/2024):

- Bust: 20\$
- Half-body: 30\$
- Full-body: 40\$

Extra costs:

- +50% of base price per extra character
- +50% of base price for a detailed background
- +25/50% of base price per alt (Depends on complexity of it)

It is also possible for me to ask extra for:

- Overly intricate character designs
- Overly difficult pose/perspective
- Massive amount of details
- Large amount of props

Example:

A Half-body drawing with 2 characters and 1 simple alt would cost 52.5\$.
(50% + 25% of the 30\$ base price for a Half-body comm)

Things I won't draw:

- Gore/Snuff
- Gas
- Diapers
- Hyper muscles
- Scat
- Hard vore
- Solo nsfw males
- Watersports
- Feet focus
- Minors

If you have any concerns about whether or not I'd be willing to draw something, don't be afraid to ask me. I'm open to a lot of stuff and I don't judge! That being said, please do respect it if I say I am not comfortable with drawing something.

Detailed commission process:

1. Dm me on any of the platforms I'm on so we can discuss the specifics of what you'd like with your commission. Make sure that you have some references prepared for me, preferably visual ones, it will make my job a heck of a lot easier!
2. I'll note down your username as well as the date you contacted me to add them to my queue and reserve your slot (Over [there](#)) ahead of time.
3. When it's your turn in the queue, I'll contact you again so I can take your payment and get to work on your comm! Do note that I may skip your turn if I get no answer or if you cannot pay at that time, in which case I'll simply move onto the next comm in queue and revisit yours afterwards.
4. While I work on your comm, I will send you frequent progress updates. My current workflow goes something like this:
 - 1) Quick sketches
 - 2) Final sketch
 - 3) Line Art
 - 4) Flat colors
 - 5) Rendering (Shading, light, cool effects, etc)

I'll send at least 1 update per stage, which you can ask me to revise **twice** before I move on! Do keep in mind that in later stages, I may be too far in to go back and change fundamental things, like the pose for example, so make sure that everything's okay before giving me the greenlight!
