

Hunter and Gatherers

Mission Packet 2

Now that you have reached a population of 100 you will need to complete the following for your civilization.

1. Draw your migration pattern from the **Neolithic Age** on a world map. Use the following websites to make sure your migration pattern is accurate for your final destination. [*The Genographic Project: National Geographic*](#); [*The Journey of Mankind: The Peopling of the World*](#)
2. Write a description of your migration pattern including all the geographic landforms you crossed. (Must be at least a page. Please type or write very legible)
3. Write a description of final location of your group (area that you wish to found your civilization) please include the geography of the area. (landforms, climate, etc)
4. Write a description of the crop you are domesticating.

When you have finished please enter the time machine and come home. You will be rewarded with a population roll of the dice, if, you have completed all your tasks. Also, you can earn an Agriculture Badge if your population reaches 500. The Agriculture badge will allow you to do job specialization.
