**CHAPMAN MIDDLE SCHOOL**
**Intramural Volleyball Session 2**

Dear Parents/Guardians and Students,

The second session of Intramural Volleyball will begin the **week of April 27, 2026.** This is an after school program for all levels. Students play within our own school. All students are welcome to participate. However, if the number of participants must be limited, students will be selected on a first come, first serve basis.

There is no user fee for students for intramural sports. The sessions will end no later than 3:45 p.m. All students will need to arrange with parents/guardians for transportation. All students must be picked up by 3:45pm. The late bus is an option for those students who ride a bus.

**"The Weymouth School Department does not assume responsibility for injuries incurred during participation in athletic programs. It is strongly recommended that you check your personal insurance to see if you are covered for accidental injury. In cases where serious injury is suspected, the program supervisor will call the town ambulance service for emergency care and will notify the parent as soon as possible."**

No student will be allowed to participate before the permission slip is signed and returned. I am sure it will be a successful and enjoyable season for everyone.

## Permission slips should be returned to a physical education teacher in the gym.

## Sessions will run on Monday, Tuesday, and Wednesday. This is open to students in grades 6-8 please be sure to include your child's grade level on this form.

---

Understanding and accepting the conditions listed above, I give my son/daughter permission to participate in the intramural program.
