

Privacy Policy

TOV TRABIKO has created the Legend of Cubes application as a free offering. It is provided at no cost and is intended for use in its current form. This Privacy Policy outlines how we collect, utilize, and safeguard your personal information while you interact with the app. By using the Legend of Cubes app, you consent to the practices described in this document. Any personal information gathered is used exclusively to operate and enhance the app. We do not share your personal data with third parties unless specifically described in this Policy. Any undefined terms used here have the same meanings as provided in our Terms and Conditions, available within the Legend of Cubes app.

Information Collection and Use

To improve functionality and user experience, we may ask for personally identifiable information. This data is collected in line with the principles outlined in this Privacy Policy. Furthermore, the app may integrate third-party services that independently collect user information. For example, the app includes:

- Google Play Services

Log Data

In case of an app error, we may collect data such as your device's IP address, model name, OS version, app configuration at the time, timestamp of usage, and other diagnostic details through third-party analytics tools. This "Log Data" helps us identify and address issues more effectively.

Cookies

Cookies are small data files that websites and certain web services store on your device. While our application itself does not use cookies, some embedded third-party tools may do so to enhance performance and collect analytics. You can control cookie behavior in your browser settings, including disabling them or receiving notifications. Disabling cookies may affect certain features within the app.

Third-Party Service Providers

We may collaborate with third-party entities to:

- Deliver the Service;
- Perform certain tasks on our behalf;

- Support app functionality; or
- Analyze how the app is used.

These third parties are granted access to personal information only to the extent necessary to perform their tasks. They are contractually obligated to safeguard your data and are prohibited from using it for unrelated purposes.

Security

We prioritize the protection of your personal data and employ industry-standard methods to keep it secure. However, due to the nature of digital data transmission and storage, absolute security cannot be guaranteed.

Links to External Sites

The app may include links to other websites or services that are not operated by us. If you access such links, you will be directed to the respective third-party site. We strongly advise reviewing their privacy policies, as we are not responsible for the content or data handling practices of those sites.

Children's Privacy

Our application is not designed for children under the age of 13. We do not knowingly collect personal data from users in this age group. If we discover that such information has been submitted, we will delete it immediately. Parents or guardians who believe their child has provided personal data should contact us without delay.

Changes to This Privacy Policy

We may revise this Privacy Policy occasionally. Users are encouraged to check this page periodically for updates. Any changes become effective as soon as they are published.

Effective Date: July 17, 2025
