

## Northwest Family Medicine Clinic, Bremerton: Healthcare Careers Field Trip

Date: Monday April 3, 2025

Time: 8:45-1:45

Are you interested in a career in the medical field? We will be going to the Northwest Family Medicine Residency Clinic in Bremerton on April 3rd to tour the clinic, hear from different healthcare providers and get to play with some medical equipment. This fantastic opportunity allows students to see a family practice medical clinic in action and hear from professionals in their place of work. This non-patient facing experience is a great way to get some personal experience in a clinical setting and hear about different medical professions and how they work together.

This field trip is open to all BHS and EHHS students in grades 9-12 who are interested in a career in healthcare. Space is limited to 30 students. Students are asked to bring a lunch.

This will be a full day field trip from 8:45-1:40. Students will be required to complete a registration packet for Virginia Mason and bring a sack lunch.

Registration, permission form and packet are due ASAP. Limited to 40 students with preference given to upperclassmen. Students must be 15 years old to participate.

[Registration Form found here](#)

[Permission form can be found here](#)

[Virginia Mason Medical Center Waiver](#) (No TB test or Bloodborne Pathogen training necessary)

[Influenza Waiver](#)
