

From April 26-29, Team Neutrino of Story County 4-H competed at the FIRST Robotics Championship in St. Louis, Missouri. After 114 qualification matches on the Darwin Field, Team Neutrino ranked 11 out of 68 teams. was eliminated in the quarterfinals, losing to the alliance who would finish as world finalists.

Team Neutrino qualified for the world championships by winning the Chairman's award, the most prestigious award in first, which "honors the team that best represents a model for other teams to emulate and best embodies the purpose and goals of FIRST."

This was Team Neutrino's second time to the world championships, and a first chance for many of the team members. The championships provided Team Neutrino an international stage on which to show off the hard work and dedication they have put towards their community and robot.

Their season started on January 7th with team members working up to 26 hours a week outside of school hours. Team Neutrino requires abundant resources to create a functional robot. The team would like to thank its 17 sponsors: John Deere, Danfoss, Monsanto Fund, CIT Signature Transportation, Quality Manufacturing, Interstate Batteries, Ames Electric Services, Iowa 4-H foundation, Emerson, Jimmy John's, Meier Bernstein Arts in STEM Project, Thrivent Financial, Accurate Perforating Company, Story County 4-H, Boyd Lab, Iowa State College of Engineering.
