July 29, 2025

Dear NHMS Families,

We hope you are enjoying your summer vacations and are excited to begin the school year! We are busy making final arrangements for students to return to school. We know students are anxious to learn which team they are on so please make sure that your PowerSchool account is up to date. If you still need to update your account you can find the information from our IT department [here](#).

Student Schedules

Schedules will be released **Monday, August 18th**. At that time, students will know what team they are on for the upcoming school year. Please note that there may be minor changes to the schedules as we balance and finalize class numbers.

New Student Tours

We will be hosting in-person building tours on **Wednesday, August 20, 2025**. This event is open to all incoming 6th grade students and 7th and 8th grade students who are new to our building. Students will be broken up into small groups during the tour. The tour will be an opportunity to see classroom locations as well as any important areas in the building. The tours are set up by team in order to give students the opportunity to meet students on their team and see the classrooms. If you are not able to attend your specific team time you are welcome to join at any other time. **When you arrive for the tours, you will enter through the doors located near the turf fields.**

Mrs. Cella-Tyler, School Nurse, will be available during the tours for medication drop off or questions.

The times are as follows:

7:45 AM	8:30 AM	9:15 AM	10:00 AM
7th and 8th Grade New students only	Red Team	Navy Team	Green Team

Orientation

If your child is new to the district, or missed our new student orientation in the Spring, they can review the [orientation google slides](#) to learn more about what to expect at the middle school.
