

COOKIES POLICY

Date of entry into force:

24.12.2024

Date of last amendment:

24.12.2024

Introduction

Please read this Cookies Notice carefully before using the Website.

This Cookies Notice (hereinafter "**Cookies Notice**") constitutes an agreement between DAOS BUSINESS CENTER L.L.C, a company registered in accordance with the laws of the UAE, license no. 1172616 (hereinafter the "Business Center", "We", "Us", or "Our") and a capable natural person (hereinafter "You", "Your") as the Data Subject concerning Your Personal Data Processing through Cookies while You use Our Website.

If You do not Consent to the use of Cookies, please disable them by following the instructions in this Cookies Notice so that Your device does not store Cookies from the Website.

The terms used in this Cookies Notice, but not defined, have their meanings set out in the [Privacy Notice](#) and [Terms and Conditions](#).

I. Cookies

The term "Cookies" refers to small text files that are placed on computers by websites that You visit. Different websites use them to help You navigate efficiently and perform certain functions. Necessary Cookies are required for the websites to operate correctly and can be set without permission. All other Cookies must be approved before being set in the browser.

Types of Cookies We Use:

Strictly Necessary.

Strictly necessary Cookies allow core website functionality, such as login and account management. We cannot operate Our Website without strictly necessary Cookies.

Performance.

These Cookies are used for analytics and to understand how You use Our Website. Data collected by Performance Cookies includes:

- The number of visits, unique visitors, pages viewed, and time spent on the site.
 - Sources of traffic, including referrals from other websites, social media, and search engines.
 - Data Subjects interactions, such as clicks, form submissions, video views, and other engagements.
- Cookies provider: Google Analytics

- Purpose: Provides insights into the activity of Data Subjects on the Website, such as session duration, pages viewed, and conversion tracking.
 - Location: United States
 - Data protection: [Google Privacy Policy](#).
- Cookies provider: Sentry.io
 - Purpose: Monitors and logs website performance and errors to ensure a smooth and secure experience of Data Subjects.
 - Location: United States
 - Data protection: [Sentry Privacy Policy](#).

Targeting.

These Cookies are used to identify You between different websites and provide targeted ads based on Your activity.

- Cookies provider: Meta
 - Purpose: Allows for targeted advertising based on interactions with Our Website, including retargeting Data Subjects who have previously visited the Website.
 - Location: United States.
 - Data protection: [Meta Privacy Policy](#).

Functionality.

Functionality Cookies are used to remember Your information on the Website, such as language, time zone, and enhanced content.

Unclassified. Unclassified Cookies do not belong to any other category or are in the categorization process.

II. Consent

You Consent to the use of Cookies by clicking the appropriate button when the Cookies banner first appears on the Website. The Cookies banner is a special message that grants permission to use, block, Consent to, and set Cookies at Your request.

You may not Consent to Cookies by clicking on the appropriate button at the first appearance of the Cookies banner or later withdraw such Consent. Only necessary technical Cookies will be collected and processed in this way.

You may also set up a web browser to manage the Cookies efficiently. The process for enabling, disabling, or deleting Cookies may vary, depending on Your web browser. More detailed instructions are available from the links below:

- [Safari](#);
- [Google Chrome](#);
- [Opera](#);
- [Firefox](#);
- [Microsoft Edge](#);
- [Vivaldi](#);

- [Brave.](#)

At the same time, You can change or withdraw Your Consent from Cookies by visiting the Cookies Settings page.

III. Storage and Protection

We keep Cookies only for as long as is necessary for the purposes for which they were collected.

We protect Your Personal Data in several ways:

Technical security measures. Business Center implements state-of-the-art technical measures to ensure the security of Personal Data processed on Our platform. This includes data encryption, the use of secure data transfer protocols (SSL/TLS), multi-factor authentication for account access, and continuous network monitoring for threats.

Organisational security measures. Business Center has organisational measures in place to ensure confidentiality and data protection, such as restricting access to data to only those employees who need it to perform their duties, conducting regular cybersecurity training for staff, and developing data protection policies and procedures.

Data Minimization and Purpose Limitation. Business Center applies appropriate technical and organizational measures to ensure that the Processing of Personal Data is limited to the purpose for which it is intended.

Internal audits and risk assessments. Business Center conducts regular internal audits and risk assessments to ensure that Our data protection processes comply with legal requirements and best practices. Any identified threats or vulnerabilities are addressed immediately.

Notifications. In the event of a Data Breach, Business Center has a clearly defined action plan, which includes immediate notification of the affected Data Subjects and relevant regulatory authorities, as well as measures to minimise the consequences of the breach.

IV. Miscellaneous

This version of the Cookies Notice is effective as of the specified above date of entry into force.

We may make changes to this Cookies Notice from time to time without Your Consent. The new version comes into force from the moment it is published on the Website.

This Cookies Notice shall be governed and construed in accordance with the law of the Emirate of Dubai and the Federal Laws of the UAE. The relevant court of the UAE shall resolve all disputes arising in connection with this Cookies Notice or its interpretation in accordance with the laws of the UAE.

This Cookies Notice is available in English. If there are any differences between the English version and any other translated version, the English version will prevail.

V. Contact Information

If You have questions about this Cookies Notice, You can reach Us via email at info@daoshub.xyz.

You can make inquiries or complaints to Third Parties via any available means of contact on their websites. The timing and procedure for responding depend on their internal policies.

You can ask the Data Protection Authority any question about Your Personal Data or file a complaint. The timing and procedure for responding depend on their internal policies.
