

**On November 6th, TCGIS will be officially kicking off its annual week of giving!**

Do you have extra *Münzen* (coins) lying around? Why not donate that loose change to TCGIS during our first TCGIS coin drive! The TCGIS **Coin Drive, Münzen Matter**, begins next week! Coins collected during the drive, **November 6th - 17th**, will support the TCGIS Annual Fund. **This Friday** we'll send home a paper bag with your child for your family to put any coin donation inside. Please send the bag back to TCGIS with your child so they can pour their donation into a jar in their homeroom, advisory, or the front office.

On **November 9th, at our *Martinstag* Celebration**, we will be hosting a **Coat Drive** where families are encouraged to bring in gently used coats to donate to [Joseph's Coat](#). If you are unable to bring your coats to our event on the 9th, we will also be collecting them on **Friday, the 10th and Monday, the 13th**. Thank you for participating in TCGIS's Coats & Coins drive!

**We will be collecting:**

- Clean, stain free, gently used winter outerwear
  - Coats
  - Hats
  - Gloves/Mittens
- NEW, unopened hygiene products: soap or body wash, toothpaste and toothbrushes, deodorant, lotion, shampoo, conditioner, shaving soap cream, razors, foot powder, etc
- Brown paper grocery bags with handle
