We will be providing a wide variety of games for the **ISTE24 Board Game Meetup**, but we encourage you to **bring your own as well!** If you would like to bring a game (or games):

- Use the table below to add the name of the game, and your name, and optionally any additional information about the game you would like to add.
- Also be sure to put your name clearly on the physical game box itself so there are no mix ups at the event.

If you haven't **registered** yet for the meetup, please do so at: [bit.ly/iste24bgm](https://bit.ly/iste24bgm)

And big thanks to our sponsors who have completely made this event possible!
