

**Hi, and welcome to the Master-ish List! For the sake of continuity and your own personal health (so Alana doesn't lose it on you), please use the following format:**

**Band, ALBUM**

**Bands with The in the name go under T and are alphabetized from there.**

**Symbols and other non-letters go before A.**

**Solo artists are alphabetized by first name.**

**If you have any questions, message Ianna on Bluesky. If she's blocked you, it's your own fault for being a total music snob, but I guess only then bother Kent, as he is a busy man and deserves things taken off his plate.**
