

Bias Incident Log

This data reflects reported incidents of alleged bias. To ensure that this log provides accurate and consistent information, it relays only those reports made directly to the Department of Public Safety, the Bias Incident Committee, or via the online Bias Incident Report form. Visit [Bias Incident Committee website](#).

**Date Reported – Date reported may differ from date when incident occurred.*

†Information Only - Report submitted but complainant requested no further action.

**Outside Scope - Incident fell outside the scope of the Bias Incident Committee. I.E. Incident falls outside of the BIC purview, is being addressed through another Bryant process, incident may have taken place before or after the respondent was at Bryant, etc.*
