Coat Drive

The last pick-up for the Rotary Club winter Coat Drive will be on or shortly after December 4th. Please look through your closets for any winter garments that are no longer needed.

Annual Fund

During this season of giving and gratitude, it's important to remember that everything we do at Summit is made possible by the support of our amazing Summit families. Your generous contributions to our Annual Fund will be used in a timely manner to boost **teacher bonuses**, professional development, educational tools, student activities, community enrichment, and campus improvements. Please consider making a donation to Supporters of Summit today!

Fairview Speech & Debate Team

On Saturday, February 8th Fairview's Speech and Debate team will be hosting a Debate Tournament for Middle School teams! This tournament will be a public forum, 2 vs. 2 style and any student is invited to attend. For more information please email former Summit student, Rebecca Myers at rgmyers01@bvsd.org. Thank you!

Calling All Husky Supporters!

Help us make our annual trip to Catalina even more impactful!

Students from Mr. Perkins' and Mr. Waters' classes are fundraising to help upgrade the marine biology labs at the Catalina Island Marine Institute (CIMI).

These labs are where students dive into learning about fish, invertebrates, sharks, plankton, and algae. Afterward, we snorkel to experience firsthand how these ecosystems work.

This trip is one of the highlights of our year, and we're excited to give back so future visitors can share in the thrill of discovery.

Your generosity will make a real difference, not just for our visit but for the 15,000 other students who explore CIMI at Fox Landing each year.
